Help for the Homeless Hygiene Drive Feb. 17 - March 10

The Family Radio Network invites you to help stock the personal hygiene shelves of your local crisis programs so that they can dedicate their limited financial resources to providing qualified personnel, safe housing, food, education, and counseling to those they serve.

Our goal is to supply each program with a year's worth of product. You can help!

Note: Hygiene & cleaning items are not covered by FoodShare (Food Stamps).

Donate at: Festival Foods, Shopko, Walgreens

Thanks to 900+ participating employers, churches, and schools for filling collection boxes of their own!

Donations stay in communities where they are collected.

- **Many of our clients arrive afraid, depressed, embarrassed to ask for help.** They are very grateful for the personal care items we can offer them. These donated supplies not only help them with their immediate needs, but they also demonstrate that our community cares about them." - LEAVEN Exec. Dir. Mary Parsons
- "It's not unusual for middle and high school students to miss school because they're embarrassed about the way they look or smell. **The shampoo, laundry soap, and deodorant you donate prevents children from being picked on for smelling bad or having dirty clothes, and helps them stay in school.**" – Kim Kleinhans, Social Worker, Menasha Joint School District
- "He had nothing. We were able to give him clothing, soap, toothpaste, toothbrush, shaving cream, razor and a hot lunch. He wanted to be prepared for job searching the next day. He was so happy, but most of all thankful – **the tears in his eyes said it all, along with his very emotional "thank you."** – Karen VanderWielen, The Salvation Army
