## COMMUNITY SUPPORTING AGRICULTURE

Welcome to the Riverview Gardens 2021 Community Supported Agriculture (CSA) season. We can't wait to share our fresh, organic vegetables with you.

The COVID-19 pandemic has forced even more people into unemployment, poverty, homelessness and food insecurity. Our community's most vulnerable struggle during normal times, and this unprecedented modern crisis intensifies their hardship.

Now more than ever, your support makes a difference!

Your CSA purchase supports our mission of providing job training for people in need which helps to transform their lives and our community.

THANK YOU for being one of our CSA members! With your support, Riverview Gardens continues to be "a place to grow."

## Kale and Green Pea Shoot Pesto

An earthy pesto with a hint of tanginess!

- 2 cups packed roughly chopped kale
- 1 cup packed green pea shoots
- 3-4 cloves garlic roughly chopped
- 1/4 cup walnuts chopped
- 1 tablespoon fresh squeezed lemon juice
- 1/4 cup extra virgin olive oil
- 1/3 cup finely grated Asiago cheese plus more for garnish
- Kosher salt
- Freshly ground black pepper

### DIRECTIONS:

1. In a food processor or blender add kale and pea shoots; pulse 10-12 times.
2. Add chopped garlic, walnuts and lemon juice; pulse until finely chopped.
3. While pulsing drizzle in extra virgin olive oil.
4. Transfer to a bowl and stir in grated cheese. Salt and pepper to taste.
5. Toss desired amount with pasta of choice.

## VEGGIE TALES:

Chive blossoms are the smallest member of the Onion family.

They are pretty AND edible!

Just take the flowers off the head (pull apart) and use them as a garnish or to add a delicate onion flavor into savory dishes like soups, cream sauces, potatoes, and egg dishes. You can also mix them into butter or goat cheese for a pretty, simple spread.
